

EVERI COMPLIANCE FORM CREATOR

Emergencies can happen and smart operators always have a contingency plan.

Everi's Form Creator software maintains all of your customized casino forms, providing a manual back-up process on those stressful occasions when your casino management system is not available.

ZERO DATA LOSS DURING NETWORK OUTAGES

CREATE BACKUP FORMS

- Jackpots
- Table Fills
- Table Credits
- Markers [Pit, Slot, and Cage]
- Transfer of Markers
- Front Money Deposits / Withdrawals
- Controlled Forms

DAILY USE FORMS

- Casino Checks [Jackpot / Cage]
- POS Issue & Return
- Keno Issue & Return
- Race and Sports Issue & Return
- Bingo Issue & Return
- Poker Issue & Return
- Kiosk Fill & Credit
- Pit Error Notification

OTHER FORMS

- Paid-In
- Paid-Out
- Found Money
- Walk Money
- Virtually any other casino-specific forms

FEATURES & BENEFITS

- Works on both the network and individual PCs
- Eliminates:
 - » Whiz cans or crank machines
 - » Multiple departmental audits [Security, Cage, and Audit]
 - » Cumbersome inventory control [acceptance, verification, and validation]
 - » Tracking issuance of controlled forms by Audit
 - » Ordering of costly pre-numbered forms
